**PEOPLE v. BELL (MICHAEL

Record augmentation granted in part/denied in part

Michael Leon Bell's "Confidential Application for Augmentation of the Record on Appeal to Include Missing Documents Filed Pursuant to Penal Code Section 987.9," lodged conditionally under seal on April 8, 2011, is granted in part and denied in part as follows. (Cal. Rules of Court, rule 8.155(a)(1)(A).)

The Clerk is directed to separate from appellant's application the two-page document captioned "Request for New Hearing on Defendant's Application for Funding for a Jury Consultant," dated June 2, 1998, and the two-page document captioned "Declaration/Request for Clarification of Order and/or Request for In Camera Hearing," dated October 28, 1998. With respect to these two documents, appellant's request is granted. The record on appeal is augmented to include these two documents, and the Clerk is directed to maintain them under seal.

The one-page document captioned "Indigent Defense - Request for Funds Order Form," dated November 9, 1998, is already contained in the record on appeal. (Sealed II Supp. Declaration/Request for Funds and Order 987.9 Transcript 258.) With respect to this document, appellant's request therefore is denied. The Clerk is directed to separate it from appellant's application and return it to him.

The Clerk is further directed to separate from appellant's application the reporter's transcript (captioned "987.9 motion," and paginated from page 1 to page 30) for the hearing that was held on July 23, 1998, and the reporter's transcript (captioned "In Camera Hearing re: Declaration and Request for Funds," paginated from page 91 to page 119, and including an unpaginated reporter's certification) for the hearing that was held on December 29, 1998. With respect to these two transcripts, appellant's request is granted. The record on appeal is augmented to include them, and the Clerk is directed to maintain them under seal.

After these documents have been separated from appellant's application, the Clerk is directed to unseal and file the application, which was lodged conditionally under seal on April 8, 2011.

The Clerk is directed to provide appellant a copy of the sealed reporter's transcript for the hearing

held on June 18, 1999. (Sealed XIX RT 3875-3877.) Appellant's counsel must not release or cause to be released any of the confidential or sealed materials, or the information contained therein. If counsel wishes to disclose the contents of sealed materials in any pleading, those pleadings must be filed under seal, for which permission must be sought under California Rules of Court, rule 8.46.
